The California Regulatory Notice Register is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the California Regulatory Notice Register shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the California Regulatory Notice Register be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER (USPS 002–931), (ISSN 1041-2654) is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$302.00 (annual price). To order or make changes to current subscriptions, please call (800) 888-3600. # PROPOSED ACTION ON REGULATIONS

Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.

# TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict—of—interest codes, will review the proposed/amended conflict—of—interest codes of the following:

#### CONFLICT-OF-INTEREST CODES

#### **AMENDMENT**

MULTI-COUNTY: Northern California Cities Self Insurance Fund Paratransit, Inc.

A written comment period has been established commencing on **August 1, 2008** and closing on **September 15, 2008**. Written comments should be directed to the Fair Political Practices Commission, Attention **Ashley Clarke**, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict-of-interest code(s) will be submitted to the Commission's Executive Director for his review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above–referenced conflict–of–interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director of the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the

proposed code(s) to the agency for revision and re–sub-mission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict—of—interest code(s). Any written comments must be received no later than **September 15**, **2008**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

#### COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

#### EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

#### **AUTHORITY**

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict of interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re—submission.

#### **REFERENCE**

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict—of—interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

#### **CONTACT**

Any inquiries concerning the proposed conflict–of–interest code(s) should be made to **Ashley Clarke**, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322–5660.

### AVAILABILITY OF PROPOSED CONFLICT OF INTEREST CODES

Copies of the proposed conflict—of—interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to **Ashley Clarke**, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322–5660.

# TITLE 3. DEPARTMENT OF PESTICIDE REGULATION

Phosphine Gas and Magnesium Phosphide DPR Regulation No. 08–003

#### NOTICE OF PROPOSED REGULATORY ACTION

The Department of Pesticide Regulation (DPR) proposes to amend section 6400 of Title 3, California Code of Regulations. This proposed action would designate phosphine gas and magnesium phosphide as restricted materials.

#### SUBMITTAL OF COMMENTS

Any interested person may present comments in writing about the proposed action to the agency contact person named below. Written comments must be received no later than 5:00 p.m. on September 15, 2008. Comments regarding this proposed action may also be transmitted via e-mail <dpro8003.cdpr.ca.gov> or by facsimile transmission at (916) 324–1452.

A public hearing is not scheduled. However, one will be scheduled if any interested person submits a written request to DPR no later than 15 days prior to the close of the written comment period.<sup>1</sup>

#### EFFECT ON SMALL BUSINESS

DPR has determined that the proposed regulatory action does affect small businesses.

# INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Phosphine gas materials have been in use as pesticides in the U.S. for more than 50 years. Metal phos-

phides (aluminum phosphide and magnesium phosphide) are primarily used for insect control in stored commodities and vertebrate pest control. These metal phosphides are usually applied as solids (pellets or granular—containing sachets) that react with water vapor in the air to form phosphine gas, the actual toxic agent.

In addition to the metal phosphides, phosphine gas itself has been registered as a pesticide since 2001. The gas materials presently come in either a 100 percent formulation, to be diluted and injected by a proprietary application device, or a two percent formulation for direct injection. Phosphine is classified as a flammable gas, with a lower explosive limit of 1.8 percent in air.

From 1994 through 2005, there were 88 illnesses reported to DPR's Pesticide Illness Surveillance Program that were related to exposure to phosphine products. DPR conducted work site evaluations of several commodity fumigation facilities that use phosphine gas and metal phosphides, and has done extensive review of illness data, enforcement activities, and regulatory requirements. The labels do not appear to address the complexity of the conditions in facilities, such as proper monitoring procedures, and exhaust or ventilation systems used to control exposure.

Existing law (Food and Agricultural Code [FAC] sections 14004.5 and 14005) authorizes the Director to adopt, by regulation, a list of restricted materials based upon criteria including danger of impairment of public health; hazards to pesticide applicators, farmworkers, and domestic animals; hazards to the environment from pesticide drift onto streams, lakes, and wildlife sanctuaries; and hazards to wildlife and other crops through persistent residues in the soil. The Director shall adopt regulations that govern the possession and use of any restricted material that he or she finds and determines is injurious to the environment or to any person, animal, crop, or other property. DPR proposes to amend section 6400(e) by designating phosphine gas and magnesium phosphide as state—restricted materials.

### IMPACT ON LOCAL AGENCIES OR SCHOOL DISTRICTS

DPR has determined that the proposed regulatory action does not impose a mandate on local agencies or school districts, nor does it require reimbursement by the State pursuant to Part 7 (commencing with section 17500) of Division 4 of the Government Code because the regulatory action does not constitute a "new program or higher level of service of an existing program" within the meaning of section 6 of Article XIII of the California Constitution. DPR has also determined that no nondiscretionary costs or savings to local agencies

<sup>1</sup> If you have special accommodation or language needs, please notify DPR. TTY/TDD speech-to-speech users may dial 7-1-1 for the California Relay Service.

or school districts will result from the proposed regulatory action.

#### COSTS OR SAVINGS TO STATE AGENCIES

DPR has determined that no savings or increased costs to any state agency will result from the proposed regulatory action.

### EFFECT ON FEDERAL FUNDING TO THE STATE

DPR has determined that no costs or savings in federal funding to the state will result from the proposed action.

#### **EFFECT ON HOUSING COSTS**

DPR has made an initial determination that the proposed action will have no effect on housing costs.

#### SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESSES

DPR has made an initial determination that adoption of this regulation would have no significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

# COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES

DPR has made an initial determination that the adoption of this regulation will not have a significant cost impact on representative private persons or businesses. The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

### IMPACT ON THE CREATION, ELIMINATION, OR EXPANSION OF JOBS/BUSINESSES

DPR has determined it is unlikely the proposed regulatory action will impact the creation or elimination of jobs, the creation of new businesses or the elimination of existing businesses, or the expansion of businesses currently doing business within the State of California.

#### CONSIDERATION OF ALTERNATIVES

DPR must determine that no reasonable alternative considered by the agency, or that has otherwise been identified and brought to the attention of the agency, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons or businesses than the proposed regulatory action.

#### **AUTHORITY**

This regulatory action is taken pursuant to the authority vested by FAC sections 14004.5 and 14005.

#### **REFERENCE**

This regulatory action is to implement, interpret, or make specific FAC sections 14004.5 and 14005.

# AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS

DPR has prepared an Initial Statement of Reasons and has available the express terms of the proposed action, all of the information upon which the proposal is based, and a rulemaking file. A copy of the Initial Statement of Reasons and the proposed text of the regulation may be obtained from the agency contact person named in this notice. The information upon which DPR relied in preparing this proposal and the rulemaking file are available for review at the address specified below.

### AVAILABILITY OF CHANGED OR MODIFIED TEXT

After the close of the comment period, DPR may make the regulation permanent if it remains substantially the same as described in the Informative Digest. If DPR does make substantial changes to the regulation, the modified text will be made available for at least 15 days prior to adoption. Requests for the modified text should be addressed to the agency contact person named in this notice. DPR will accept written comments on any changes for 15 days after the modified text is made available.

#### AGENCY CONTACT

Written comments about the proposed regulatory action; requests for a copy of the Initial Statement of Reasons, the proposed text of the regulation, and a public hearing; and inquiries regarding the rulemaking file may be directed to:

Linda Irokawa–Otani, Regulations Coordinator Office of Legislation and Regulations Department of Pesticide Regulation 1001 I Street, P.O. Box 4015 Sacramento, California 95812–4015 (916) 445–3991

Note: In the event the contact person is unavailable, questions on the substance of the proposed regulatory action may be directed to the following person at the same address as noted above:

George Farnsworth, Environmental Program Manager Worker Health and Safety Branch (916) 445–4163

This Notice of Proposed Action, the Initial Statement of Reasons, and the proposed text of the regulation are also available on DPR's Internet Home Page <a href="http://www.cdpr.ca.gov">http://www.cdpr.ca.gov</a>>.

### AVAILABILITY OF FINAL STATEMENT OF REASONS

Following its preparation, a copy of the Final Statement of Reasons mandated by Government Code section 11346.5(a)(19) may be obtained from the contact person named above. In addition, the Final Statement of Reasons will be posted on DPR's Internet Home Page and accessed at <a href="http://www.cdpr.ca.gov">http://www.cdpr.ca.gov</a>>.

# TITLE 8. OCCUPATIONAL SAFETY AND HEALTH STANDARDS BOARD

NOTICE OF PUBLIC MEETING/PUBLIC HEARING/BUSINESS MEETING OF THE OCCUPATIONAL SAFETY AND HEALTH STANDARDS BOARD AND NOTICE OF PROPOSED CHANGES TO TITLE 8 OF THE CALIFORNIA CODE OF REGULATIONS

Pursuant to Government Code Section 11346.4 and the provisions of Labor Code Sections 142.1, 142.2, 142.3, 142.4, and 144.6, the Occupational Safety and Health Standards Board of the State of California has set the time and place for a Public Meeting, Public Hearing, and Business Meeting:

PUBLIC MEETING:

On **September 18, 2008,** at 10:00 a.m.

in Room 310 of the County Administration Center, 1600 Pacific Highway, San Diego, California 92101. At the Public Meeting, the Board will make time available to receive comments or proposals from interested persons on any item concerning occupational safety and health.

PUBLIC HEARING:

On September 18, 2008, following the Public Meeting, in Room 310 of the County Administration Center, 1600 Pacific Highway, San Diego, California 92101.

At the Public Hearing, the Board will consider the public testimony on the proposed changes to occupational safety and health standards in Title 8 of the California Code of Regulations.

BUSINESS MEETING: On September 18, 2008,

following the Public Hearing, in Room 310 of the County Administration Center, 1600 Pacific Highway, San Diego, California 92101.

At the Business Meeting, the Board will conduct its monthly business.

#### **DISABILITY ACCOMMODATION NOTICE:**

Disability accommodation is available upon request. Any person with a disability requiring an accommodation, auxiliary aid or service, or a modification of policies or procedures to ensure effective communication and access to the public hearings/meetings of the Occupational Safety and Health Standards Board should contact the Disability Accommodation Coordinator at (916) 274–5721 or the state–wide Disability Accommodation Coordinator at 1–866–326–1616 (toll free). The state–wide Coordinator can also be reached through the California Relay Service, by dialing 711 or 1–800–735–2929 (TTY) or 1–800–855–3000 (TTY–Spanish).

Accommodations can include modifications of policies or procedures or provision of auxiliary aids or services. Accommodations include, but are not limited to, an Assistive Listening System (ALS), a Computer–Aided Transcription System or Communication Access Realtime Translation (CART), a sign–language interpreter, documents in Braille, large print or on computer disk, and audio cassette recording. Accommodation requests should be made as soon as possible. Requests for an ALS or CART should be made no later than five (5) days before the hearing.

#### NOTICE OF PROPOSED CHANGES TO TITLE 8 OF THE CALIFORNIA CODE OF REGULATIONS BY THE OCCUPATIONAL SAFETY AND HEALTH STANDARDS BOARD

Notice is hereby given pursuant to Government Code Section 11346.4 and Labor Code Sections 142.1, 142.4 and 144.5, that the Occupational Safety and Health Standards Board pursuant to the authority granted by Labor Code Section 142.3, and to implement Labor Code Section 142.3, will consider the following proposed revisions to Title 8, High Voltage Electrical Safety Orders and General Industry Safety Orders of the California Code of Regulations, as indicated below, at its Public Hearing on **September 18, 2008.** 

#### 1. <u>TITLE 8:</u> <u>HIGH VOLTAGE ELECTRICAL</u> SAFETY ORDERS

Division 1, Chapter 4, Subchapter 5, Article 36 Section 2940.6 and Appendix C Updating National Consensus

#### 2. <u>TITLE 8:</u> <u>GENERAL INDUSTRY SAFETY</u> <u>ORDERS</u>

Division 1, Chapter 4, Subchapter 7, Article 7

Section 3336 and Article 25 Sections 3650 and 3653

Powered Industrial Trucks— Seatbelts and Signaler

Descriptions of the proposed changes are as follows:

### 1. <u>TITLE 8:</u> <u>HIGH VOLTAGE ELECTRICAL</u> <u>SAFETY ORDERS</u>

Division 1, Chapter 4, Subchapter 5, Article 36 Section 2940.6 and Appendix C

Updating National Consensus Standards for Insulating Protective Equipment

# INFORMATIVE DIGEST OF PROPOSED ACTION/POLICY STATEMENT OVERVIEW

This rulemaking action makes clarifying and technical changes to standards in the High Voltage Electrical Safety Orders (HVESO), Section 2940.6(a) and Appendix C of Article 36. These provisions refer to a number of American Society for Testing Material (ASTM) national consensus standard specifications for protective insulating equipment such as rubber insulating gloves, sleeves, blankets, matting and other protective equipment. The editions of these ASTM standards which are referenced in this proposal are outdated by at least 10 to 15 years from the current editions. Therefore, this proposal updates the references to various ASTM standards to more current editions which are more readily available and consistent with electrical industry practices.

The proposal also clarifies that the ASTM standards in Section 2940.6(a)(4) are listed in reference to the required electrical testing intervals for the insulating equipment listed. Further, the proposal corrects an incorrect reference in Section 2940.6(a)(4) for the electrical testing interval for rubber insulating sleeves. The proposal also adds provisions consistent with the listed ASTM standards and federal OSHA provisions that address the electrical testing of insulating gloves, sleeves and blankets that have been electrically tested but not recently issued for service.

#### Section 2940.6. Tools and Protective Equipment.

Section 2940.6 is included in the HVESO, Article 36 which is titled "Work Procedures and Operating Procedures." Section 2940.6 contains provisions related to the use of electrical insulating equipment, fall protection, the use of live line and hand tools, and suitable apparel.

#### Subsection (a)

Subsection (a) pertains to the specifications and use of insulating equipment for high voltage electrical work. This subsection also specifies that insulating equipment shall meet the standards shown in Appendix C of Article 36. Further, the provisions in subsection (a) include requirements such as periodic electrical testing, daily inspection, and storage of insulating equipment such as gloves, sleeves, blankets, line hose and covers.

Existing subsection (a)(4) states that the employer is responsible for the periodic visual and electrical retesting of all insulating gloves, sleeves and blankets. The maximum re-testing intervals in the listed ASTM standards are provided and incorporated by reference. An amendment is proposed to delete language that refers to "incorporation by reference" in this subsection. The existing language that specifies incorporation by reference for these standards is unnecessary since the provisions for the electrical re–testing intervals are already provided in subsection (a)(4). Further, the requirements for the use, daily inspections, examination and storage of insulating equipment are provided in the listed ASTM standards of this subsection and also covered within the requirements of subsections (a)(1) through (a)(10). Therefore, this amendment would have the effect of providing clarity and eliminate duplication of similar requirements.

Existing subsection (a)(4) lists the appropriate ASTM standard titles for the corresponding insulating equipment and shows the required electrical test intervals for such equipment. This subsection incorrectly indicates that the electrical testing interval for insulating sleeves is 6 months, while the ASTM required testing interval for sleeves is 12 months. Therefore, amendments are proposed that will have the effect of providing clarity to show the correct testing interval for insu-

lating sleeves and specifically identifying under the proposed new heading "Electrical Test Intervals" that 6 month electrical test intervals apply to gloves and the 12 month electrical test intervals applies to both sleeves and blankets. The proposed new heading "For line hose and covers" is provided for clarity in delineating test intervals for such equipment. This proposal also updates the listed ASTM standards to current editions.

An additional amendment is proposed for this subsection that requires gloves, sleeves, and blankets that have been electrically tested but not issued for service shall not be placed into service unless they have been electrically tested within the previous twelve months. This provision is consistent with manufacturer's recommendations, industry practice and the provisions in the listed ATSM standards of this subsection. This proposal is also necessary for equivalency with federal OSHA counterpart provisions in 29 CFR 1910.137, Table I–6. The amendments will have the effect of providing clarity to the provisions in subsection (a)(4) that outline the required electrical testing intervals for insulating equipment.

#### Article 36, Appendix C, Protective Equipment.

Appendix C provides that insulating equipment must meet the provisions of the ASTM standards that are listed and incorporated by reference for the specific type of insulating equipment such as gloves, sleeves, blankets, matting and other protective equipment. The listed editions of these ASTM standards currently reference outdated publications from the early 1990's. Electrical insulating equipment is manufactured and designed in accordance with ASTM standards.

Therefore, this proposal would reference current editions of these ASTM standards and would have the effect of listing ASTM provisions that are more readily available and consistent with insulating equipment currently in use.

- 8. ASTM F 968–93 (Reapproved 2002) Standard Specification for Electrically Insulating Plastic Guard Equipment for Protection of Workers.
- ASTM F 1564–95 (Reapproved 2006), Standard Specification for Structure–Mounted Insulating Work Platforms for Electrical Workers.

These documents are too cumbersome or impractical to publish in Title 8. Therefore, it is proposed to incorporate the documents by reference. Copies of these documents are available for review Monday through Friday from 8:00 a.m. to 4:30 p.m. at the Standards Board Office located at 2520 Venture Oaks Way, Suite 350, Sacramento, California.

#### SPECIFIC TECHNOLOGY OR EQUIPMENT

This proposal will not mandate the use of specific technologies or equipment. The proposed amendments provide clarity and accuracy to the provisions in Section 2940.6(a)(4) that outline the required electrical testing intervals for insulating equipment.

Electrical insulating equipment is manufactured and designed in accordance with ASTM standards listed in the HVESO, Article 36, Appendix C and consequently, it is not expected the employers in the electrical and/or utility industries would incur costs as a result of these amendments. Further, Board staff compared provisions in the outdated ASTM standards currently referenced in Appendix C with the recent editions listed in the proposal. While the recent editions of the ASTM standards proposed for incorporation by reference make technical, clarifying and editorial changes to the provisions in the outdated ASTM standards, there are no significant new design requirements that would require the purchase of new equipment.

#### COST ESTIMATES OF PROPOSED ACTION

#### Costs or Savings to State Agencies

No costs or savings to state agencies will result as a consequence of the proposed action.

#### **Impact on Housing Costs**

The Board has made an initial determination that this proposal will not significantly affect housing costs.

#### **Impact on Businesses**

The Board has made an initial determination that this proposal will not result in a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

#### Cost Impact on Private Persons or Businesses

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

#### Costs or Savings in Federal Funding to the State

The proposal will not result in costs or savings in federal funding to the state.

#### <u>Costs or Savings to Local Agencies or School</u> <u>Districts Required to be Reimbursed</u>

No costs to local agencies or school districts are required to be reimbursed. See explanation under "Determination of Mandate."

# Other Nondiscretionary Costs or Savings Imposed on Local Agencies

This proposal does not impose nondiscretionary costs or savings on local agencies.

#### **DETERMINATION OF MANDATE**

The Occupational Safety and Health Standards Board has determined that the proposed standards do not impose a local mandate. Therefore, reimbursement by the state is not required pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code because the proposed amendments will not require local agencies or school districts to incur additional costs in complying with the proposal. Furthermore, these standards do not constitute a "new program or higher level of service of an existing program within the meaning of Section 6 of Article XIII B of the California Constitution."

The California Supreme Court has established that a "program" within the meaning of Section 6 of Article XIII B of the California Constitution is one which carries out the governmental function of providing services to the public, or which, to implement a state policy, imposes unique requirements on local governments and does not apply generally to all residents and entities in the state. (County of Los Angeles v. State of California (1987) 43 Cal.3d 46.)

These proposed standards do not require local agencies to carry out the governmental function of providing services to the public. Rather, these standards require local agencies to take certain steps to ensure the safety and health of their own employees only. Moreover, these proposed standards do not in any way require local agencies to administer the California Occupational Safety and Health program. (See City of Anaheim v. State of California (1987) 189 Cal.App.3d 1478.)

These proposed standards do not impose unique requirements on local governments. All state, local and private employers will be required to comply with the prescribed standards.

#### EFFECT ON SMALL BUSINESSES

The Board has determined that the proposed amendments may affect small businesses. However, no economic impact is anticipated. Also, see the rationale under the heading, "Specific Technology or Equipment."

#### ASSESSMENT

The adoption of the proposed amendments to these standards will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses or create or expand businesses in the State of California.

#### REASONABLE ALTERNATIVES CONSIDERED

Our Board must determine that no reasonable alternative considered by the Board or that has otherwise been identified and brought to the attention of the Board would be more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons than the proposed action.

### . <u>TITLE 8:</u> **G**

# GENERAL INDUSTRY SAFETY ORDERS

Division 1, Chapter 4, Subchapter 7, Article 7 Section 3336 and Article 25 Sections 3650 and 3653

Powered Industrial Trucks— Seatbelts and Signaler

# INFORMATIVE DIGEST OF PROPOSED ACTION/POLICY STATEMENT OVERVIEW

This rulemaking action was initiated in response to Petition No. 429. The Board's Petition Decision in regards to Petition 429 directed staff to convene an advisory committee to consider proposed amendments addressing: 1) the use of an operator restraint system when a forklift equipped with a rollover protective structure (ROPS) is moved, and 2) the use of a signaler when the forklift operator is carrying a load that blocks the operator's view, and the operator is unable to tell whether a truck or trailer has departed or pulled out from the loading dock.

#### Section 3336. Loading Dock Operations.

Section 3336 requires that trucks or trailers be secured from movement during dock loading and unload-

ing operations. New proposed subsection (a) would require that trucks, trailers, and railcars boarded by powered industrial trucks during loading dock operations be secured against unintended movement as specified in subsections 3650(t)(22) and (23). The effect of this amendment would be to revise the scope of the provision to include trucks, trailers and railcars boarded by powered industrial trucks during loading dock operations. The amendment would also improve clarity and consistency by referring to the specific requirements in Section 3650 for securing trucks, trailers and railcars during loading and unloading operations.

New subsection (b) would require that the employer establish and enforce a system to prevent trucks, trailers or railcars from pulling away from the loading dock before the loading or unloading operation is completed. The effect of this performance standard would be to require the employer to establish and enforce a system to prevent the early departure of a truck, trailer or railcar while it is still being loaded or unloaded, which can result in the industrial truck falling, tipping over, and crushing the operator.

#### Section 3650. Industrial Trucks. General.

Subsections (a), (b)(1), and (b)(2) provide that, based on the type of industrial truck and the date of its manufacture, industrial trucks be labeled as meeting the design and construction requirements of the applicable national consensus standards (NCS) for industrial trucks that are referenced in the three subsections. Subsection (a) would be renumbered (b)(1) and would be amended to limit its application to industrial trucks manufactured after June 26, 1998, through the effective date of the proposed standard. Revised subsection (a) would apply to industrial trucks manufactured after the effective date of the proposed standard and would reference the most recent versions of the NCS regarding industrial trucks. The effect of this amendment would be to ensure, and allow, that industrial trucks manufactured after the effective date of this amendment be labeled as meeting the design and construction requirements of the applicable NCS in effect on the date that the revised standard becomes effective. In addition, the effect of this amendment would be to ensure, and allow, that industrial trucks manufactured after the effective date of this amendment be designed, constructed and maintained in accordance with the applicable NCS in effect on the date that the revised standard becomes effective, as required by subsection (c).

Subsection (b)(1) provides that industrial trucks that do not comply with subsection (a) must comply with either the provisions of the subsection or subsection (b)(2). Subsection (b)(1) would be renumbered (b)(2) and, to reflect the renumbering of subsections (a) and (b), the subsection would be revised to state that indus-

trial trucks that do not comply with subsection (b)(1) must comply with either the provisions of the subsection or subsection (b)(3). The renumbering of the subsection and the internal references has the effect of providing logical and intelligible designations for the components of subsection (b).

Subsection (b)(2) provides that industrial trucks that do not comply with subsection (a) must comply with the provisions of the subsection. Subsection (b)(2) would be renumbered subsection (b)(3) and, to reflect the renumbering of subsections (a) and (b), the subsection would be revised to state that industrial trucks that do not comply with subsection (b)(1) must comply with the provisions of the subsection. The renumbering of the subsection and the internal references has the effect of providing logical and intelligible designations for the components of subsection (b).

Subsection (b)(3) would be renumbered (b)(4). This renumbering has the effect of providing logical and intelligible designations for the components of subsection (b).

Subsection (t) provides that industrial trucks and tow tractors shall be operated in a safe manner in accordance with the operating rules contained in subsections (t)(1) through (t)(32), none of which addresses the use of operator restraint systems. New subsection (t)(33) would require that, when provided by the industrial truck manufacturer, an operator restraint system such as a seat belt shall be used. The effect of this revision would be to make the operating rules for industrial trucks in Section 3650(t) consistent with the ANSI B56.1 Safety Standard for Low Lift and High Lift Trucks which requires that an active operator protection device or system, when provided by the industrial truck manufacturer, be used to reduce the risk of entrapment of the operator's head in the event of a tip—over.

#### Section 3653. Seat Belts.

Subsection (a) requires that seat belts be provided on equipment where ROPS is installed and employees shall be instructed in their use. Amended subsection (a) would additionally require that the seat belt assemblies shall be used. The proposed revision would improve consistency with Section 1596, proposed new subsection 3650(t)(33), and ANSI/ITSDF B56.6–2005 Safety Standard for Rough Terrain Forklift Trucks. Section 1596 requires that ROPS and seat belts be installed, and seat belts used, on equipment such as scrapers, tractors, front-end loaders, bulldozers, motor graders, water wagon prime movers, rollers, and compactors. ANSI/ ITSDF B56.6-2005 defines a rough terrain forklift truck as a wheeled-type truck designed primarily as a fork truck with vertical mast and/or a pivoted boom, variable reach or of fixed length, which may be equipped with attachments, that is intended for operation on unimproved natural terrain as well as the disturbed terrain of construction sites. The ANSI/ITSDF B56.6 standard requires that ROPS and seat belts be installed, and seat belts used, on all rough terrain fork-lift trucks fitted with a side—mounted operator's compartment. The effect of the proposed revision would be to require the use of seat belts on all equipment with ROPS to prevent the operator from being crushed by the ROPS.

#### COST ESTIMATES OF PROPOSED ACTION

#### Costs or Savings to State Agencies

No costs or savings to state agencies will result as a consequence of the proposed action.

#### **Impact on Housing Costs**

The Board has made an initial determination that this proposal will not significantly affect housing costs.

### **Impact on Businesses**

The Board has made an initial determination that this proposal will not result in a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

#### Cost Impact on Private Persons or Businesses

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action

#### Costs or Savings in Federal Funding to the State

The proposal will not result in costs or savings in federal funding to the state.

# Costs or Savings to Local Agencies or School Districts Required to be Reimbursed

No costs to local agencies or school districts are required to be reimbursed. See explanation under "Determination of Mandate."

# Other Nondiscretionary Costs or Savings Imposed on Local Agencies

This proposal does not impose nondiscretionary costs or savings on local agencies.

#### **DETERMINATION OF MANDATE**

The Occupational Safety and Health Standards Board has determined that the proposed standards do not impose a local mandate. Therefore, reimbursement by the state is not required pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code because the proposed amendments will not require local agencies or school districts to incur additional costs in complying with the proposal. Furthermore, these standards do not constitute a "new program or higher level of service of an existing program within the meaning of Section 6 of Article XIII B of the California Constitution."

The California Supreme Court has established that a "program" within the meaning of Section 6 of Article XIII B of the California Constitution is one which car-

ries out the governmental function of providing services to the public, or which, to implement a state policy, imposes unique requirements on local governments and does not apply generally to all residents and entities in the state. (County of Los Angeles v. State of California (1987) 43 Cal.3d 46.)

These proposed standards do not require local agencies to carry out the governmental function of providing services to the public. Rather, the standards require local agencies to take certain steps to ensure the safety and health of their own employees only. Moreover, these proposed standards do not in any way require local agencies to administer the California Occupational Safety and Health program. (See <u>City of Anaheim v. State of California</u> (1987) 189 Cal.App.3d 1478.)

These proposed standards do not impose unique requirements on local governments. All state, local and private employers will be required to comply with the prescribed standards.

#### EFFECT ON SMALL BUSINESSES

The Board has determined that the proposed amendments may affect small businesses. However, no economic impact is anticipated.

#### **ASSESSMENT**

The adoption of the proposed amendments to these standards will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses or create or expand businesses in the State of California.

#### REASONABLE ALTERNATIVES CONSIDERED

Our Board must determine that no reasonable alternative considered by the Board or that has otherwise been identified and brought to the attention of the Board would be more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons than the proposed action.

A copy of the proposed changes in STRIKEOUT/UNDERLINE format is available upon request made to the Occupational Safety and Health Standard Board's Office, 2520 Venture Oaks Way, Suite 350, Sacramento, CA 95833, (916) 274–5721. Copies will also be available at the Public Hearing.

An INITIAL STATEMENT OF REASONS containing a statement of the purpose and factual basis for the proposed actions, identification of the technical documents relied upon, and a description of any identified

alternatives has been prepared and is available upon request from the Standards Board's Office.

Notice is also given that any interested person may present statements or arguments orally or in writing at the hearing on the proposed changes under consideration. It is requested, but not required, that written comments be submitted so that they are received no later than September 12, 2008. The official record of the rulemaking proceedings will be closed at the conclusion of the public hearing and written comments received after 5:00 p.m. on September 18, 2008, will not be considered by the Board unless the Board announces an extension of time in which to submit written comments. Written comments should be mailed to the address provided below or submitted by fax at (916) 274-5743 or e-mailed at oshsb@dir.ca.gov. The Occupational Safety and Health Standards Board may thereafter adopt the above proposals substantially as set forth without further notice.

The Occupational Safety and Health Standards Board's rulemaking file on the proposed actions including all the information upon which the proposals are based are open to public inspection Monday through Friday, from 8:30 a.m. to 4:30 p.m. at the Standards Board's Office, 2520 Venture Oaks Way, Suite 350, Sacramento, CA 95833.

The full text of proposed changes, including any changes or modifications that may be made as a result of the public hearing, shall be available from the Executive Officer 15 days prior to the date on which the Standards Board adopts the proposed changes.

Inquiries concerning either the proposed administrative action or the substance of the proposed changes may be directed to Marley Hart, Executive Officer, or Mike Manieri, Principal Safety Engineer, at (916) 274–5721.

You can access the Board's notice and other materials associated with this proposal on the Standards Board's homepage/website address which is <a href="http://www.dir.ca.gov/oshsb">http://www.dir.ca.gov/oshsb</a>. Once the Final Statement of Reasons is prepared, it may be obtained by accessing the Board's website or by calling the telephone number listed above.

#### TITLE 16. BOARD OF OPTOMETRY

NOTICE IS HEREBY GIVEN that the Board of Optometry (hereafter "Board") is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments in writing relevant to the action proposed. Written comments, including those sent by mail, facsimile, or e-mail must be received by the Board of Optometry not later than 5:00 p.m. on September 15, 2008 and sent to the address listed under Contact Person in this Notice.

A hearing in this matter has been scheduled for <u>September 15, 2008</u>, in the Yosemite Room, at 2420 Del Paso Road, Sacramento, California. All interested parties will be heard at that time.

The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text with the exception of technical or grammatical changes. The full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by Sections 3025, 3075, 3152, and 3152.5 of the Business and Professions Code, and to implement, interpret or make specific Sections 3025, 3075, 3152, and 3152.5 of said Code, the Board is considering changes to Division 15 of Title 16 of the California Code of Regulations as follows:

### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW:

Amend section 1524.

Business and Professions Code section 3152 authorizes the board to set the fees for the following: biennial renewal of a certificate of registration as an optometrist; delinquency fee for failing to renew a certificate of registration; application and renewal fees for a branch office license; application and renewal fee for failure to renew a fictitious name permit; application fee for a statement of licensure; application fee for a certificate to use therapeutic pharmaceutical agents.

The proposed regulations would increase the fees mentioned above and establish the fees for the following: delinquency fee for failure to renew a fictitious name permit timely; renewal and penalty fee for failure to renew a statement of licensure timely; application fee for approval of a continuing education course; application fee for a certificate to treat primary open angle glaucoma; and application fee for a certificate to perform lacrimal irrigation and dilation.

#### FISCAL IMPACT ESTIMATES:

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: Estimated to increase board revenues for fiscal year 08/09 by approximately \$538,870.00.

Non-discretionary Cost/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None

#### **Business Impact**:

The Board of Optometry has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

#### **AND**

The following studies/relevant data were relied upon in making the above determination: None

### Impact on Jobs/New Businesses:

The Board of Optometry has determined that this regulatory proposal will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

# <u>Cost Impact on Representative Private Person or Business:</u>

The cost impact that a representative private person or business would necessarily incur in reasonable compliance with the proposed action and that are known to the Board to be minor to significant based on their current licensing status and the application, renewal and delinquent fees scheduled to be paid by licensees and non–licensees. Delinquencies are to be paid by licensees

The last fee increase was implemented in 1993. In 1997, the Board implemented a shift from an annual to a biennial renewal cycle, which set the renewal fee at \$300. The fee has not changed since then.

Effect on Housing Costs: None

#### EFFECT ON SMALL BUSINESS

The proposed regulations would have an affect on licensees who are registered with the Board with a fictitious name permit or have applied for a branch office license.

#### CONSIDERATION OF ALTERNATIVES

The Board of Optometry must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would

be as effective and less burdensome to affected private persons than the proposal described in this notice.

Any interested person may present written statements relevant to the above determinations to the Board of Optometry at the address referred to below.

#### INITIAL STATEMENT OF REASONS AND INFORMATION

The Board has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

#### TEXT OF PROPOSAL

Copies of the exact language of the proposed regulation and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained upon request from the Board of Optometry at 2420 Del Paso Road, Suite 255, Sacramento, California 95834, or from the Board of Optometry web-site at www.optometry.ca.gov.

#### AVAILABILITY AND LOCATION OF THE FINAL STATEMENT OF REASONS AND RULEMAKING FILE

All the information upon which the proposed regulation is based is contained in the rulemaking file, which is available for public inspection, by contacting the person named below.

You may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact person named below or by accessing the Web-site listed below.

#### **CONTACT PERSON**

Any inquiries or comments concerning the proposed rulemaking action may be Addressed to:

Name: Gary Randolph Address: 2420 Del Paso Road.

Suite 255

Sacramento, CA 95834

Telephone Number: (916) 575–7170 Fax Number: (916) 575-7292

#### GENERAL PUBLIC INTEREST

### DEPARTMENT OF FAIR EMPLOYMENT AND HOUSING

NOTICE IS HEREBY GIVEN that the prospective contractors listed below have been required to submit a Nondiscrimination Program (NDP) or a California Employer Identification Report (CEIR) to the Department of Fair Employment and Housing, in accordance with the provisions of Government Code Section 12990. No such program or (CEIR) has been submitted and the prospective contractors are ineligible to enter into State contracts. The prospective contractor's signature on Standard Form 17A, 17B, or 19, therefore, does not constitute a valid self-certification. Until further notice, each of these prospective contractors in order to submit a responsive bid must present evidence that its Nondiscrimination Program has been certified by the Department.

### **PROPOSITION 65**

# OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT

CALIFORNIA ENVIRONMENTAL
PROTECTION AGENCY
OFFICE OF ENVIRONMENTAL HEALTH
HAZARD ASSESSMENT

SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (Proposition 65)

NOTICE TO INTERESTED PARTIES August 1, 2008

CHEMICALS LISTED EFFECTIVE August 1, 2008
AS KNOWN TO THE STATE OF CALIFORNIA
TO CAUSE CANCER OR REPRODUCTIVE
TOXICITY

The Office of Environmental Health Hazard Assessment (OEHHA) of the California Environmental Protection Agency is adding *gallium arsenide* to the list of chemicals known to the state to cause cancer and *hexafluoroacetone*, *nitrous oxide* and *vinyl cyclohexene dioxide* to the list of chemicals known to the state to

cause reproductive toxicity for the purposes of Proposition 65. The listing of *gallium arsenide*, *hexafluoroacetone*, *nitrous oxide* and *vinyl cyclohexene dioxide* is effective **August 1,2008**.

Health and Safety Code section 25249.8(a) requires that certain substances identified by the International Agency for Research on Cancer (IARC) or the National Toxicology Program (NTP), as described in Labor Code section 6382(b)(1) and (d), be included on the Proposition 65 list as causing cancer. Labor Code section 6382(b)(1) references substances identified as human or animal carcinogens by IARC, and Labor Code section 6382(d) references substances identified as carcinogens or potential carcinogens by IARC or NTP.

Health and Safety Code section 25249.8(a) further requires that substances identified in Labor Code section 6382(d) as causing reproductive toxicity be included on the Proposition 65 list. Labor Code section 6382(d) captures any chemicals within the scope of the federal Hazard Communication Standard that are identified as reproductive toxicants. Chemicals fall within the scope of the Hazard Communication Standard if they are listed as hazardous in the latest edition of the American Conference of Governmental Industrial Hygienists (ACGIH) "Threshold Limit Values (TLVs)."

Pursuant to state law, IARC's identification of *gallium arsenide* as carcinogenic to humans means that *gallium arsenide* must be included on the Proposition 65 list (Labor Code sections 6382(b)(1) and (d)). Also, ACGIH's basing of the TLVs for *hexafluoroacetone*, *nitrous oxide* and *vinyl cyclohexene dioxide* on reproductive toxicity means that these three chemicals must be included on the Proposition 65 list (Labor Code section 6382(d)).

The basis for the listing of gallium arsenide, hexafluoroacetone, nitrous oxide and vinyl cyclohexene dioxide on the Proposition 65 list was described in OEHHA's Request For Comments on Proposed Listing of Gallium Arsenide as Known to Cause Cancer and Hexafluoroacetone, Nitrous Oxide and Vinyl Cyclohexene Dioxide as Known to Cause Reproductive Toxicity published in the June 15, 2007, issue of the California Regulatory Notice Register (Register 2007, No. 24–Z). In 2006, IARC issued Volume 86 in its series *IARC Monographs on the Evaluation of Carcinogenic* Risks to Humans. In this monograph, IARC concluded that *gallium arsenide* is *carcinogenic to humans* (*Group* 1). The TLVs for hexafluoroacetone (male endpoint), nitrous oxide (developmental endpoint) and vinyl cyclohexene dioxide (male and female endpoints) were assigned on the basis of ACGIH's findings of reproductive effects.

OEHHA analyses of dose–response data to establish the no significant risk level (NSRL) for *gallium arsenide* or the maximum allowable dose levels (MADLs) for hexafluoroacetone, nitrous oxide and vinyl cyclohexene dioxide under Proposition 65 have not been conducted. The priority status of the development of such analyses will be announced in a future OEHHA Proposition 65 Status Report for Safe Harbor Levels, avail-

able at <a href="http://www.oehha.ca.gov/prop65.html">http://www.oehha.ca.gov/prop65.html</a>.

A complete, updated Proposition 65 list is published elsewhere in this issue of the *California Regulatory Notice Register*.

SAFE DRINKING WATER AND TOXIC
ENFORCEMENT ACT OF 1986

CHEMICALS KNOWN TO THE STATE TO CAUSE CANCER OR REPRODUCTIVE TOXICITY AUGUST 1, 2008

The Safe Drinking Water and Toxic Enforcement Act of 1986 requires that the Governor revise and republish

at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity. The identification number indicated in the following list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing. The date refers to the initial appearance of the chemical on the list. For easy reference, chemicals which are shown underlined are newly added. Chemicals which are shown with a strikeout were placed on the list with the date noted, and have subsequently been removed.

<sup>&</sup>lt;sup>1</sup> Listing mechanism:

LC "Labor Code" mechanism (Labor Code sections 6382(b)(1) and (d))

<sup>&</sup>lt;sup>2</sup> The chemical was previously listed under the synonym name of 4–vinyl–1–cyclohexene diepoxide as a chemical known to cause cancer on July 1, 1990.

EXTENSION OF PUBLIC COMMENT PERIOD
August 1, 2008

[Extension Notice was posted on the OEHHA web site on July 23, 2008]

The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) requires the Governor to publish, and update at least annually, a list of chemicals known to the State to cause cancer or reproductive toxicity. The Office of Environmental Health Hazard Assessment (OEHHA) is the lead agency for the implementation of Proposition 65.

On June 27, 2008, OEHHA published two separate notices in the *California Regulatory Notice Register* (Register 08 No. 26–Z) soliciting information which may be relevant to the evaluation of *imazalil* and *thiabendazole and its hypophosphite salt* under consideration for possible listing within the context of the Proposition 65 administrative listing regulatory criteria in Title 27 of the California Code of Regulations section 25306 (formerly Title 22 of the California Code of Regulations section 12306.)

The publication of the notices initiated 60–day public comment periods which would have closed on August 26, 2008. OEHHA has received requests from interested parties seeking an extension of each comment period to allow for the submission of complete and relevant scientific information for both *imazalil* and *thiabendazole and its hypophosphite salt*. OEHHA hereby extends the public comment periods for *imazalil* and *thiabendazole and its hypophosphite salt* for 45 days to 5 p.m., **Wednesday, October 8, 2008.** 

Written comments on these chemicals, along with supporting information, may be submitted in **triplicate** to:

### RULEMAKING PETITION DECISIONS

#### DEPARTMENT OF MENTAL HEALTH

July 3, 2008

Steven L. Burkhart Jr. (CO–000255–0) Coalinga State Hospital P.O. Box 5003, Unit T13 Coalinga, CA 93210

Dear Mr. Burkhart:

This letter is in response to your "Petition for adoption of protocols, policies and procedures consistent with the language and intent of Welfare and Institutions Code Section 6606 of the [Sexually Violent Predator Act] (SVPA)," pursuant to Gov. Code Section 11340.6. You stated in your letter that the department is required to adopt protocols, policies and procedures governing the conduct of the Monthly Treatment Planning Conferences, but you make this assumption without an ex-

planation or rationale as to why regulations would be required. You also stated in your letter that your problems were expectable consequences for not having Protocols which specify how assessment data will be used to determine your risk of re–offense," which appears to be the basis for your assumption that regulations are necessary. However, as explained below, the SVPA is quite detailed and precise.

There are two aspects of the SVPA with which the Department of Mental Health (DMH) is required to be involved. One is the initial screening and evaluation process. The other is the fact that DMH is required to house and provide treatment for persons committed under the SVPA. The second aspect will be discussed below, as it appears to be the issue you are petitioning.

With regard to DMH programming and treatment, the SVPA requires DMH to provide programming that affords the person with treatment for his or her diagnosed mental disorder. (WIC 6606(a).) In addition, the SVPA requires that the programming provided by DMH shall be consistent with current institutional standards for the treatment of sex offenders and be based on a structured treatment protocol. (WIC 6606(c).)

The development of the sex offender treatment protocol by clinical staff, just as with the development of any treatment protocol, is an exercise of professional clinical judgment by licensed, qualified clinicians. The clinical sex offender treatment protocol must be based on currently available studies, articles, and principles consistent with professional, clinical standards. However, the treatment plan for each person necessarily must be designed specifically for that individual, since each person has unique clinical features and needs. Moreover, subdivisions (a), (d), and (e) of WIC 6606 make it clear that sex offender treatment under the SVPA is voluntary.

For all of the reasons above, it is not necessary, appropriate, or practicable for DMH to promulgate regulations to attempt to establish or impose standardized, inflexible sex offender treatment requirements. Such regulations would infringe on the exercise of professional, clinical judgment in accordance with standards of the respective professions. Finally, such regulations would also likely be clinically inappropriate for a significant proportion of individuals.

For the reasons explained above, DMH must decline your request for DMH to promulgate regulations regarding the SVPA. Copies of your request and this response are being forwarded to the Office of Administrative Law as required by Section 11340.7 of the Government Code.

Sincerely,

/s/

Cynthia A. Radavsky Deputy Director

### OAL REGULATORY DETERMINATION

#### OFFICE OF ADMINISTRATIVE LAW

DETERMINATION OF ALLEGED UNDERGROUND REGULATION (Summary Disposition)

(Pursuant to Government Code Section 11340.5 and Title 1, section 270, of the California Code of Regulations)

# DEPARTMENT OF CORRECTIONS AND REHABILITATION

Date: July 21, 2008
To: Byron Jackson

From: Chapter Two Compliance Unit

Subject: 2008 OAL DETERMINATION NO. 14(S)

(CTU2008-0709-01)

(Summary Disposition issued pursuant to Gov. Code, sec. 11340.5; Cal. Code Regs., tit. 1, sec. 270(f))

Petition challenging as an underground regulation a memorandum regarding "Management of Indecent Exposure Protocol"

On July 9, 2008, you submitted a petition to the Office of Administrative Law (OAL) asking for a determination as to whether a memorandum issued by the Department of Corrections and Rehabilitation (Department) on the subject "Management of Indecent Exposure Protocol" constitutes an underground regulation. The memorandum is dated April 6, 2007, and is marked "original signed by Teresa Schwartz for:" Lea Ann Chrones, Director (A), Division of Adult Institutions.

In issuing a determination, OAL renders an opinion only as to whether a challenged rule is a "regulation" as

defined in Government Code section 11342.600, which should have been, but was not adopted pursuant to the Administrative Procedure Act (APA). Nothing in this analysis evaluates the advisability or the wisdom of the underlying action or enactment. OAL has neither the legal authority nor the technical expertise to evaluate the underlying policy issues involved in the subject of this determination.

Generally, a rule that meets the definition of a "regulation" in Government Code section 11342.600<sup>2</sup> is required to be adopted pursuant to the APA. However, a rule that merely restates the law is not an underground regulation because it does not further implement, interpret, or make specific the law enforced or administered by the agency.<sup>3</sup>

The Department of Corrections and Rehabilitation has adopted a regulation specifying that "inmates whose conduct endangers the safety of others or the security of the institution shall be housed in a SHU" (Security Housing Unit). (Cal. Code Regs., tit. 15, § 3341.5, subd. (c).) This regulation has been duly adopted by the Department and filed with the Secretary of State pursuant to the APA. Paragraph (9) of subdivision (c) of this regulation establishes a "SHU Term Assessment Chart" that fixes periods of confinement to SHU for specific offenses. Subparagraph (K) of paragraph (9) establishes a term of 3 months (low), 6 months (expected) or 9 months (high) in the SHU for the offense of Indecent Exposure. The April 6, 2007 memorandum regarding "Management of Indecent Exposure Protocol" simply repeats the periods of confinement established by section 3341.5(c)(9)(K) for the offense of Indecent Exposure. The wording in the challenged

<sup>&</sup>lt;sup>1</sup> Such a rule is called an "underground regulation" as defined in California Code of Regulations, title 1; section 250, subsection (a):

<sup>&</sup>quot;Underground regulation" means any guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other rule, including a rule governing a state agency procedure, that is a regulation as defined in section 11342.600 of the Government Code, but has not been adopted as a regulation and filed with the Secretary of State pursuant to the APA and is not subject to an express statutory exemption from adoption pursuant to the APA.

2 "Regulation" means every rule, regulation, order, or standard of general application or the amendment, supplement, or revision of

general application or the amendment, supplement, or revision of any rule, regulation, order, or standard adopted by any state agency to implement, interpret, or make specific the law enforced or administered by it, or to govern its procedure.

<sup>&</sup>lt;sup>3</sup> A challenged rule "contained in a regulation that has been adopted pursuant to the APA rulemaking provisions of the APA" is not an underground regulation pursuant to title 1, section 270(f)(2)(C).

memorandum is a mere restatement of law and is therefore not an underground regulation.<sup>4</sup>

The issuance of this summary disposition does not restrict your right to adjudicate the alleged violation of section 11340.5 of the Government Code.

### OFFICE OF ADMINISTRATIVE LAW

### SUSPENSION OF ACTION REGARDING UNDERGROUND REGULATIONS

(Pursuant to Title 1, section 280, of the California Code of Regulations)

- (2) Circumstances in which facts demonstrate that the rule challenged by the petition is not an underground regulation include, but are not limited to, the following:
- (A) The challenged rule has been superseded.
- (B) The challenged rule is contained in a California statute.
- (C) The challenged rule is contained in a regulation that has been adopted pursuant to the rulemaking provisions of the APA.
- (D) The challenged rule has expired by its own terms.
- (E) An express statutory exemption from the rulemaking provisions of the APA is applicable to the challenged rule. (Emphasis added.)

## CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM

On April 4, 2008, The Office of Administrative Law (OAL) received a petition challenging the California Public Employees Retirement System (CalPERS) Personal Trading Policy as an alleged underground regulation.

On July 16, 2008, CalPERS certified to the OAL that the Personal Trading Policy had been rescinded; therefore, pursuant to Title 1, section 280 of the California Code of Regulations, OAL must suspend all action on this petition.

## PETITION TO THE OFFICE OF ADMINISTRATIVE LAW

**Optional Petition Submission Form** 

**RE:** Alleged Underground Regulation

**FROM:** J.J. Jelincic (Petitioner)

**DATE:** 4/4/2008

Use of this form is optional. It requests the information required by California Code of Regulations, title 1, section 260, for a petition challenging an alleged underground regulation. Although the use of this form is not required, the mandatory information required by California Code of Regulations, title 1, section 260, including the supporting documentation, *must* be included in your petition. If you create a separate petition, or if you use this form and need to add extra pages, be sure that each page is labeled clearly.

<sup>&</sup>lt;sup>4</sup> The rule challenged by your petition is the proper subject of a summary disposition letter pursuant to title 1, section 270 of the California Code of Regulations. Subdivision (f) of section 270 provides:

<sup>(</sup>f)(1) If facts presented in the petition or obtained by OAL during its review pursuant to subsection (b) demonstrate to OAL that the rule challenged by the petition is not an underground regulation, OAL may issue a summary disposition letter stating that conclusion. A summary disposition letter may not be issued to conclude that a challenged rule is an underground regulation.

1. Petitioner's Identifying Information:

Your name: J.J. Jelincic

Your address: 3828 Hillcrest Lane

Sacramento CA 95821

Your telephone

number: 916–795–9258

Your e-mail: jjelincic@yahoo.com

2. State agency or department being challenged:

California Public Employees Retirement System

3. Provide a complete description of the purported underground regulation. Attach a written copy of it. If the purported underground regulation is found in an agency manual, identify the specific provision of the manual alleged to comprise the underground regulation. Please be as precise as possible.

CalPERS has adopted a policy (attached) that limits the ability of "Key Access Persons", their spouses and/or domestic partners and "a non–employee if the transaction is for an account in which the Key Access Person has a direct financial interest."

The restrictions go well beyond the authority of CalPERS, those needed to protect CalPERS or industry standards

4. Provide a description of the agency actions you believe demonstrate that it has issued, used, enforced, or attempted to enforce the purported underground regulation.

CalPERS issued the policy; provided training; required employees to sign an acknowledgement and stated that signing it was a condition of employment.

5. State the legal basis for believing that the guideline, criterion, bulletin, provision in a manual, instruction, order, standard of general application, or other rule or procedure is a regulation as defined in Section 11342.600 of the Government Code AND that no express statutory exemption to the requirements of the APA is applicable.

The policy adopted by CalPERS falls within the definition within GC 11342.600.

CalPERS has created a standard procedure which applies to an open class. It is administered by a state agency. There is no statute that exempts the regulation from the Administrative Procedures Act.

In fact, CalPERS has stated that it continues to review who is covered by the regulation. In fact the

regulation itself provides for modification of the classifications covered. The regulation cites only one statute as justification and that statue neither provides support for the agency's actions nor exempts the agency from the APA.

6. Provide information demonstrating that the petition raises an issue of considerable public importance requiring prompt resolution.

The regulation adopted interferes with the efficient operation of the public securities market. This area of activity, relative to public markets, is within the jurisdiction of the federal Securities and Exchange Commission and the Commodity Futures Trading Commission. It imposes limits beyond the authority of CalPERS.

It purports to give CalPERS the authority to control the actions of any person acting as a fiduciary on behalf of any "Key Access Person." It makes the private transactions of both employees and non–employees a public record. It requires the reporting of requested permissions even if transactions did not occur or had been denied.

7. (Optional) Please attach any additional relevant information that will assist OAL in evaluating your petition.

I have enclosed a copy of the training material provided. A copy of the forms CalPERS has adopted.

I have enclosed a copy of the questions I submitted relative to the new policy. As of the time of the filing of this petition I have received no response.

### 8. Certifications:

I certify that I have submitted a copy of this petition and all attachments to the state agency which has issued, used, enforced, or attempted to enforce the purported underground regulation:

Name of person in agency to whom petition was sent:

Fred Buenrostro

Agency: California Public Employees' Retirement

System

Address: Lincoln Plaza North

400 O Street

Sacramento CA 95811

Telephone

number: 916795–3829

I certify that all of the above information is true and correct to the best of my knowledge.

File# 2008–0613–02 CALIFORNIA ARCHITECTS BOARD Architectural Business Names & Association

This rulemaking amends title 16 of the California Code of Regulations Section 134 by deleting provisions which have not had the desired effect of preventing individuals or entities from holding themselves out as architects or architectural firms or as working in collaboration with architects when they were not. Section 134 also contained outmoded restrictions on licensed architects regarding the content of their business entity titles. New section 134 requires that, if the words "architect, architectural, or architecture," or similar terms, are used in the name of a business entity, the firm must ensure that a licensed architect is in management control and responsible control of the professional services offered and is an owner, officer or employee of the firm. This rulemaking also repeals Section 135 because the board believes certain interpretations of its provisions have created opportunities for misrepresentations by unlicensed persons in offering or providing architectural services.

#### DEPARTMENT OF INSURANCE

Waiver of Penalty for Failure to Pay Tax by Electronic Funds Transfer

This regulatory action concerns the requirement that insurers and surplus line brokers make their tax payment by electronic funds transfer if their premium taxes exceed twenty thousand dollars. If the taxpayer fails to make the payment by electronic funds transfer or if the payment is untimely, then the taxpayer will be assessed a ten percent penalty plus interest on the amount due unless the penalty is waived. These proposed regulations establish the causes or circumstances when the penalty may be waived.

#### DEPARTMENT OF INSURANCE

California Low Cost Automobile Insurance Program

This is a certificate of compliance that combines and makes permanent prior emergency regulatory actions 2007-0906-02EFP; (OAL file nos. 2007-1107-01EFP; 2008-0312-01EFP) that established the uniform rates for the liability policy, uninsured motorists and medical payments coverage under the California Low Cost Automobile Insurance Program for the following 36 counties: Alpine, Colusa, Del Norte, Glenn, Inyo, Lassen, Mariposa, Modoc, Mono, Nevada, Plumas, San Luis Obispo, Sierra, Siskiyou, Tehama, Trinity, Amador, Butte, Calaveras, El Dorado, Humboldt, Kings, Lake, Madera, Marin, Mendocino, Napa, Placer, San Benito, Santa Cruz, Shasta, Solano, Sutter, Tuolumne, Yolo and Yuba. The California Low Cost Automobile Insurance Program is a statutorily required plan for equitable apportionment among insurers required to participate in the California Automobile Assigned Risk Plan (CAARP) for persons residing in the specified counties who are eligible to purchase a low cost automobile insurance policy through the program established in those counties. The establishment of the rates for the program in these 36 counties is exempt from the APA and OAL's review pursuant to Government Code section 11340.9, subdivision (g); however, the expansion of the program into these 36 designated counties is subject to the APA and OAL review.

### **DEPARTMENT OF INSURANCE**

Amend CAARP Plan of Operations Sections 28 and 46

This change without regulatory effect amends sections 28 and 46 of the CAARP Plan of Operations, which is incorporated by reference into section 2498.4.9 of the California Code of Regulations. These changes remove reference to the name of a form that has been discontinued and corrects the name of two forms in the introduction part of the Plan. Also, nonsubstantive changes were made to sections 28 and 46 that deal with effective date of coverage for personal automobiles and commercial automobiles, respectively, and the instructions for using the EASi electronic system so that the process would be internally consistent in both sections.

This rulemaking requires that construction personnel hoist cars be modified to put operational controls on top of the car and include emergency stop buttons and requires that controls be positioned so that the operator is at minimal risk from exposed moving parts and other hazards when operating the car from the cartop. The rulemaking deletes reference to operation from within the car by way of responding to the voice commands of a person located on top. It specifies certain features for the enclosure of the top of the car and specifies that operation of the car—top operational controls must cause the disabling of the in—car operational controls. The rulemaking also requires that during inspection and maintenance activities the car must be operated only in the lowest speed.
